

Announcing One Stop Referral

Central Referral Office for Speech and Language Services
for children aged birth to school entry

- New referral form attached
- Destroy all older referral forms

We are pleased to announce a centralized process for referring children birth to school entry with speech and language concerns residing in Delta, Langley, Surrey, and White Rock.

This project is a joint endeavor with Ministry of Child and Family Development, Fraser Health –Fraser South, Reach Child and Youth Development Society, Surrey Early Speech and Language Program and The Centre for Child Development.

Enclosed is an updated referral form.

Please destroy all past referral forms.

If you require more referral forms or information please contact the Central Speech and Language Referral Coordinator at 604 – 587- 4273.
