

Kinsmen Club of Ladner/Tsawwassen

In December, 2009 Dave McMillan (left) and Kerry Condon (right) of the [Kinsmen Club of Ladner/Tsawwassen](#) presented a cheque for \$500 to Renie D'Aquila, Executive Director of Reach Child and Youth Development Society to commemorate the new community partnership for the redevelopment of the Kin House in Ladner. The vision proposed for the redevelopment of Kin House is for it to be a modern, accessible facility that will serve the needs of Reach Child and Youth Development Society, the Kinsmen Club of Ladner/Tsawwassen and the community for the next 50 years. It is a jointly sponsored project in which Delta provides the land, Reach provides the capital funding, and the Kinsmen Club of Ladner / Tsawwassen provides community support and encouragement. [Read about the project here.](#)

Thank you Kinsmen Club!
