In the spring of 2008 the [Tsawwassen Boundary Bay Lions Club](#) presented Reach Child and Youth Development Society with a cheque for \$30,000 to fund 2 special programs for youths with special needs.: the Teen Social Saturdays Group, for youth ages 9 to 16 with special needs who are currently on wait-lists and are not receiving any other services., and The “Myles of Courage” presentation series featuring presenter Myles McKie, a 17 year old living with autism who has overcome many challenges throughout his life and has now become a public speaker to share his story.
