

MEMBERSHIP APPLICATION JOIN reach!

When you become a member of Reach Child and Youth Development Society you are helping to make a difference in the lives of children and youth with development needs. It is free to join Reach, but we encourage you to consider making a tax-deductible donation. You can feel good knowing that your donation will be put to work to provide children with the services so greatly needed in your community.

Believing in potential

Each year over 1,200 children benefit from programs and services at Reach Child and Youth Development Society. Our family-centered, individualized, and responsive approach means that families experience success and each child is given the opportunity to reach their potential.

Family-Centered Our family-centered philosophy recognizes that the family is the major decision maker and constant in the child's life and as such, we believe families should be in control and informed. We believe, that the primary aim of good service planning is to enable and empower families.

Individualized We recognize and respect the diversity and uniqueness of families and children and provide individualized approaches to goal identification and service planning.

Responsive We believe that it is essential that services be flexible to meet the changing needs of children and families, and to respond to input from the community regarding those needs.

Experts in our field We have brought together professionals with expertise and knowledge in a variety of areas including Early Childhood Educators, Speech Language Pathologists, Behavioural Consultants, Supported Child Development Consultants, Occupational Therapists, Infant Development Consultants, and others with extensive experience supporting families and children.

Our vision

Communities where all individuals and their families are welcomed, included, and leading lives of well-being based on their own individual strengths, interests, and values.

Our mission

To provide timely, accessible family-centred community programs and services for the optimal development of children and youth and adults, where all individuals flourish and reach their potential.

Every child can reach their potential

Reach Child and Youth Development Society is a non-profit child development centre that has been working with children and families since 1959. Our programs and services are designed to meet a wide range of needs for children from birth to age 19, so that children at any age or stage of development have the opportunity to reach their full potential.

Infant Development Program providing in-home assessment and play based support for children from birth to age 3. Playgroups are offered in North and South Delta.

Reach Autism Program for Children Under 6
The Reach Autism Program is for children with autism spectrum disorder (ASD) living in Delta, Surrey and Langley. Our intervention focuses on five child development areas: play skills, communication skills, social skills, self-help skills, and cognitive/academic skills.

Reach Developmental Preschool in South Delta and North Delta provide inclusive settings for both children with typically developing needs, and children who require extra supports.

Supported Child Development providing consultative support to child care settings for children from birth to age 19 with special needs.

Aboriginal Supported Child Development providing consultative support to child care settings for children from birth to age 19 with special needs. ASCD programs are developed with cultural values, beliefs and traditions in mind.

Therapies Program providing speech and language therapy, occupational therapy, and physiotherapy for children from birth to age 6.

Respite Care Program providing in-home, out-of-home, overnight, or group respite for children from birth to 19 with special needs.

GCT TEENS Social Group providing social skills and peer networking opportunities for teenagers with special needs in Delta & Surrey.

Delta Connex providing support to families with children birth to 19, who have developmental or behavioural conditions.

Positive Behaviour Support providing in-home support to families with children ages 3 to 19 who have special needs with challenging behaviours.

Positive Connections provides short-term behaviour support to families with children or youth with special needs with a focus on parent education, and connecting with community resources and support.

Reach Autism Program for Children Over 6 providing behavioural support for families of children with special needs over the age of 6.

Fortis BC Sibshops provides connections to children and youth who reside in Delta, Surrey, White Rock and Langley and have a sibling with a diagnosis.

Counselling providing consultation and counseling to families, individuals and children with a developmental diagnosis or delay.

Referrals to Reach may come from you, the parent or caregiver, or from other sources such as doctors, public health nurses, school personnel, or other community professionals.

Services are available in Delta, Surrey, and Langley. For more information about referrals contact us at 604-946-6622 or info@reachchild.org.
