*On October 1st, 2011 Reach held its 52nd annual general meeting and family fun event at the site of our future new facility and had one of the largest turn-outs ever. Details on page 3*

# A magical day with families, Reach staff & community.

On October 1st, 2011 Reach welcomed a crowd of over 200 to their 52nd annual general meeting and family fun event at the Kin House, the proposed site of Reach's future new facility. The event was called "Making Magic Happen" in honour of the season and to celebrate the achievements of the past year.

The free family fun event was made possible with a sponsorship by Delta company TSI (Terminal Systems Inc.), and featured a magic show from Magic-Show-To-Go, bouncy castle, face painting and balloon animals, crafts and games and Delta Gymnastics tumbling centre. Lori Janson, TSI's Director of Corporate Communications, praised Reach and said, "TSI supports the health and well-being of the communities in which we operate. Reach Society has served local children and youth with special needs for more than half a century and is truly making a difference in the community."

The event also included a free lunch generously prepared by TOOBS volunteers, and silent auction featuring more than 50 items donated by local businesses. Reach Society President Rob VanSpronsen said, "We're so pleased with the large turnout, which included some of the 800 children we serve annually and their families, as well as our many supporters, volunteers, directors and staff. We're very grateful to TSI for the generous sponsorship and to the many small businesses in Ladner and Tsawwassen who provided silent auction items."

More than \$6,000 was raised from the event which will be directed to the *Building for Children Together* capital campaign to build the new centre for Reach Society. Thank you to the following staff and local businesses for your generous donations:
